Firstly, museums such as art and music can offer people with a wide range of entertainment activities. For example, they often organise traditional music events performed by local or other famous artists that people can attend and enjoy to some extent. Another point is that many visitors nowadays may choose to come to museums just for pleasure or as one of the activities that they take part in their holiday trips. This, therefore, makes museums a place to entertain in people leisure time. On the other hand, the establishment of a particular museum like history, science, or oceanography is...
