Resum: Transmedia storytelling is one of the most interesting phenomena emerging from the contemporary media ecology. In this article, the focus moves from contemporary transmedia productions to a literary classic: The Ingenious Gentleman Don Quixote of La Mancha, written by Miguel de Cervantes from 1605–1615. Inspired by the conceptions of Henry Jenkins and Jesús Martín-Barbero, this article first reflects on the relationships between participatory +

A good movie is a perfect time pass as it not only entertains you but also gives you the best exposure on your favorite generic. Don Quixote was amazed when he heard the Knight of the Grove, and was a thousand times on the point of telling him he lied, and had the lie direct already on the tip of his tongue; but he restrained himself as well as he could, in order to force him to confess the lie with his own lips; so he said to. I would have you know that this Don Quixote you speak of is the greatest friend I have in the world; so much so that I may say I regard him in the same light as my own person; and from the precise and clear indications you have given I cannot but think that he must be the very one you have vanquished.
